MeCoSa MINT Career - mentoring and coaching programm in Saxony-Anhalt

MeCoSa MINT Career ist a mentoring and coaching programm in Saxony-Anhaltfor **female students**, **graduates**, **PhDs** and **Post-Docs** in the field of **STEM** subjects.

The project startet in January 2024 and consists of following components: Workshops, Coaching, Mentoring and Networking. Women from the STEM fields have the possibility to participate on the offerings of MeCoSa MINT Career free of charge and even with the possibility to refund travel costs if travelling from other cities within Saxony-Anhalt.

The offerings include **workshops** in different topics, **one-on-one or group coachings**, **mentoring programm** and **networking**, to get a better career start. The modules are freely selectable and car be put together individually for each participant. The project team consisting of project coordinator Katalin Varga, project employee Juanjuan Chen and project assistant Christine Behrens can help a advise in chosing the right modules.

The **goals** of the MeCoSa-MINT-Career project are

- to make the path to attractive STEM companies in Saxony-Anhalt transparent to the participants
- to introduce participants to business partners and, if necessary, scientific institutions in the state of Saxony-Anhalt and to provide female role models with a focus on the business sector in Saxony Anhalt
- to include international female students and graduates in their special life situation and to let them participate in the offers
- to provide women with targeted and strategic support on their qualification and career path in the regional economy through mentoring and target group-specific offers

SACHSEN-ANHALT

Finanziert von der Europäischen Union

MeCoSa MINT Career is a project of the Coordination Office Gender Research & Equal Opportunities
Saxony-Anhalt (KGC), is funded by the European Social Fund and the Ministry of Labor, Social Affairs, Health and Equality Saxony-Anhalt.
The project itself is being implemented in cooperation with all the universities and colleges of Saxony-Anhalt.
The offices of MeCoSa MINT Career are located at the OVGU Magdeburg, G18, rooms 303 and 305.

All information about the workshops we offer as part of MeCoSa MINT Career.
